

Faculty of Law, Berkeley Law, University of California (United States of America)

Study Guide

1 Overall impression

Studying in Berkeley is definitely one of the best decisions I took in my life. First because we are part of the professional track, which means that we get to go to Berkeley two summers in a row. Second because all the other students are already lawyers working in law. It is both enriching for our personal relationship and for network.

2 Making preparations

It was relatively easy.

3 Contacts/Responsibilities

Everytime I had a question both the University of Zurich and the University of Berkeley were here to help quickly

4 Housing

Berkeley is very expensive -even more than Zurich is because the State does not provide any help (contrary to WOKO or JUWO).

5 Arrival

Really easy.

6 Telephone

The prices are similar that the swiss ones.

7 Bank account

I did not open a US bank account.

8 Transport

Easy as well since there is a direct flight from Zurich to SanFrancisco

9 General information about the Partner Faculty and student life

Since we are here twice for three months, it is really intense. I got to meet incredible people around the world and make real friendships.

10 Teaching and studying at the Partner Faculty

We have a lecture every morning for three weeks. That makes it very intense and I like it (rather than having all the exams at the end of the semester).

11 City

Berkeley itself is not incredible but San Francisco is (and is not far away)
